SAARC Arbitration Council Bi-Annual Newsletter

Pursuant to its mandate, Articles/Manuscripts are invited for 9th Edition of the **SAARC Arbitration Council (SARCO) Bi-Annual Newsletter (2020)**.

The **SARCO Newsletter** regularly publishes information and articles on contemporary themes in Arbitration Law and the recent updates/happenings, often dedicating certain issues to specific areas in substantive and procedural arbitration, in the SAARC Member States. Bearing in mind the wide scope of the relevant events impacting Arbitration legislation that took place in the preceding six months, this Edition will focus on relevant contemporary issues in legislation and case law relating to arbitration, investment treaty laws and their most recent impacts and proposals for reform, in the SAARC Member States.

SARCO, being the only inter-governmental arbitral center mandated by the SAARC Member States, disseminates and publishes the experience and guidance of the most renowned practitioners, academics and scholars in the field from the region.

With the objective of dissemination of the relevant academic and professional experiences from the field, SARCO invites submissions to the 9th Edition of its Bi-annual publication in the form of research articles and manuscripts; from practitioners, academia, judges, advocates and solicitors, members of civil society organizations, legal advisers, professors, and students in conformity with the Guidelines of the SARCO Newsletter, below.
